

**Program Summary:**

The State of Delaware offers a low cost 529(a) savings plan – **DEPENDABLE** – that allows individuals with disabilities and their families to save for a broad range of expenses on a tax-advantaged basis without jeopardizing their benefits from supplemental security income (SSI), Medicaid and other federal programs. Eligible individuals can open an account for themselves, or an authorized individual can open an account on their behalf. The **DEPENDABLE** Program is administered through a consortium model with 18 other states through the recordkeeper, Ascensus.

**DEPENDABLE Goals [Proposed]:**

- Contributions and new account growth
- Customer service responsiveness for individuals with disabilities and their caregivers (SLA metrics)
- Enhanced platform accessibility and usability
